Aspen Logistics, Inc. will be a Sponsor at this year's Save a Stray Soiree in Salt Lake City

Salt Lake City, UT. 09.28.2010 – Aspen Logistics, Inc. is a sponsor and will be in attendance at this year's "Save a Stray Soiree" at La Caille Restaurant on October 9th in Salt Lake City, UT. The event is the area's most prestigious pet-friendly gala, where a silent auction will benefit the non-profit "No More Homeless Pets in Utah" animal welfare organization. The organization's mission is to end the euthanasia of homeless dogs and cats statewide and promote humane alternatives to feral cats. Aspen works with a number of large manufacturers who produce pet food and pet supplies. The company feels that their commitment to the charity is reflective of their focus on contributing to the communities which they serve. Aspen has committed to a silver level of sponsorship. On the night of the gala they will have four of their associates present to represent the company.

This marks the second year that Aspen will be in attendance at the Salt Lake City based charity's event. Aspen has a large campus of facilities and personnel which reside in Salt Lake City and its surrounding communities. The campus encompasses three warehouses, corporate offices, and a fleet of vehicle, which are responsible for the distribution of products around the country.

Aspen, a long time service provider to the pet industry, wants to promote the organizations mission of conducting humane practices in animal care. The company understands the problems we face, with the millions of cats and dogs being euthanized in the United States each year. In Utah alone, over 30,000 unwanted animals are put down annually. The October 9th event will place an emphasis on having pets spayed or neutered as the answer. Aspen is looking forward to participating in the event and assisting in driving that message.

Date: Saturday, October 9
Event Location: La Caille Restaurant
